Saturday 16th March 2019

We have been invited to Crown Classic Cars by Jay and Tony Payne to have the opportunity to put our cars on their lifts and see what's going on underneath before the motoring season starts. They specialise in 60s and 70s MGs and Triumphs but all MGs are welcome. They will talk you through your car and show you what to look for. They have a wealth of experience with MGs and are happy to share some of that with us.

- 9am – 12pm. Staggered arrivals welcome.
- Bacon butties (cook your own) will be available and tea and coffee.
- **8** cars maximum, but additional members are welcome to come along, listen, ask questions and see the workshop.
- £5 per person to cover refreshments etc.
- Booking essential.

To book your place please contact Ian Ailes on
