Natter BBQ – 29th July 2019

Our BBQ this year is again being held at the excellent Walcountians RFC, with an even more interesting attraction.

One of our members, Peter Parker, has a family butchers (now in its fourth generation) and he will be to completely cutting a whole lamb, including boning and stuffing the shoulders, in preparation for the BBQ. The demonstration will take up to one hour, during which the audience will be treated to BBQ sausages. The demonstration will also

include part boning and marinating chickens ready to BBQ. He will bring some larger chickens to be completely boned (some by the audience), to be rolled and stuffed. There will be some lamb joints and prepared chicken for sale.

The demonstration will start at about 7pm, with the BBQ being served from about 8.30pm. The BBQ will include various salads, coleslaw and corn on the cob. The club has a covered BBQ area and a great clubroom/bar, as used for our highly successful Natter BBQ and social last September.

Don't miss this very unusual experience to see a master butcher at work, for what must be one of the best Club BBQs ever!

Cost will be just £10.00 per person with 30 people minimum. Book your place now by calling or emailing:
