

NORTH HAMPSHIRE *AUSTIN* ENTHUSIASTS' GROUP
45th 'Nightjar' Navigational Rally – (Virtual)
Saturday 21st November 2020
REGULATIONS AND ENTRY FORM

The NHAEG, on behalf of the Austin Ten Drivers Club, will stage a virtual 'Nightjar' Navigational Rally on the 21st November 2020. This will form part of the Inter Register Club Championship series 2020 and will be held under *these* regulations and such others as may subsequently be issued prior to the event.

A maximum of 40 entries will be accepted from members of all affiliated IRC member clubs, plus the VSCC and other invited clubs and individuals.

For those familiar with the usual 'Nightjar' format, seeking hidden bird signs, this year, will not feature highly. Instead, entrants will carry out six navigational exercises, which, when accurately executed, should lead them to a small village somewhere deep in the Herefordshire countryside where, using Google Earth (Streetview), observational powers will be needed to answer a number of questions. Since no physical driving or other activity is required time permitted to complete the event is less than would normally be allowed, but is deemed to be sufficient to do so, although complete beginners, i.e. those who have never competed previously in such an event, either actual or virtual, are being allowed more time.
