

Autosolo Taster Event

Filching Manor, nr Polegate, East Sussex, BN26 5QA

Saturday 15th April 2023

Autosolos have become an increasingly popular Motorsport entry event. An Autosolo is based around the principles of autotesting, with the main differences being that the tests are run in a forward direction only, with the route indicated by cones/direction indicators. This event has been classified as a Taster event, meaning entry is open to enthusiasts from non-affiliated Motorsport UK clubs.

Venue:-

The event will take place at the ex-Kart Track at Filching Manor, East Sussex, BN26 5QA.

Organisation and arrangements

It will be an all-day event, with first test commencing at 10.00am and entry limited to 40 cars. The event is being organised in conjunction with Sevenoaks Motor Club. The event will be held under a Motorsport UK Permit.

There will be four test routes, with entrants having three attempts at each test. All tests are timed and the two quickest test times from each route will count to the overall result, less any penalties such as wrong route, hitting a cone, etc. Entrants will be permitted to walk the test route. Double entry for cars is permitted and cars can take part with passengers.

All cars must be driven to the event, be complete with RTA insurance and drivers must hold a UK DVLA licence. Minimum age for entrants is 16 if accompanied by a passenger holding a DVLA licence. MGCC and affiliated Motorsport UK clubs members must have an RS Clubmans licence, obtainable free from Motorsport UK. Non-affiliated club members can complete an RS Clubmans licence application form on the day.

To Enter :-
